We are going to create and build – from the ground up – a brand new business at the Twin Arrows Interchange 219 on I-40! And we are going to accomplish it in one year! Join us as an Intern and learn how to go from a business idea, to market studies, facility design, through construction, ribbon-cutting, and start-up operations. You will be placed with a mentor in your area of study, engage with industry experts, and continue your learning and professional networking through influential guest lectures. Positions are available for Summer 2018 through Summer 2019. Apply for one or more terms, each term starts with a new cohort.
