SPORTS BAR

Carefully observed, the floors leading into the sports bar depict the migration and emergence into the Fourth World. The Locust insect was the first spiritual being to enter the Fourth World, the White and Glittering World of Emergence, Hajjínéí. The Locust had to survive the piercing of his body by means of arrows in order to gain entry into this world. Hence, the crossed-arrows portrayal of leadership located within the Arrows Sports Bar symbolizes Locust's strength, endurance, agility, and speed. The area represents a place for the development of renewed friendships, teamwork, and social ties and bonding as imitated by Locust. The artwork panels located on the walls of the sports bar are a reminder of the vigor, resiliency, and tenacity of the Navajo people and its warriors, the Naabaahii.
